Dear students and parents,

As you may know, the turf project for updating District 230's football fields has gone very well on schedule for Andrew. The other schools have not been so fortunate and has created the need to move events that would normally be hosted at their schools elsewhere.

Specifically, Stagg High School is moving their **Annual Jamboree** competition to Andrew on **Sunday, September 26**. The Andrew Marching Band has been asked to perform in the competition. Therefore this will be an addition to our schedule for the year.

Students will not be asked for a huge time commitment on Sunday, however we will more than likely have a **3:00PM report time** and a **4:30PM leave time**. This is a great opportunity to use our field for a formal performance. We will not need to move any our equipment on trailers or trucks!

Students please print your name and have your parents sign below to acknowledge the date addition. Thank you for your understanding and please call me with any questions or concerns.

Yours,

Mr. Mark Iwinski
Director of Bands
Victor J. Andrew High School
