Band Invitational Sponsorship Opportunities

The Victor J. Andrew High School Music Parents Association is a 503c nonprofit operated exclusively to support all aspects of music programs at Andrew High School. Our fundraising efforts provide an opportunity to showcase our wonderful school and help raise much needed funds for our music students. **We hope you will consider supporting our program by becoming a sponsor for our 6th annual Marching Band Invitational on September 18, 2021.**

Now, more than ever, we need your help to support our high school musicians. Our student musicians worked hard during the past year. Unlike many other music programs, the Andrew High School Music program continued to uniquely offer music education and opportunities to perform, but we were not able to fundraise through our normal events. In fact, our largest 2020 fundraiser was cancelled. This is why we need your support now to directly help our music students.

We are excited, once again, to host one of the largest band invitationals in the region. This event reaches over 5000+ attendees and is our largest fundraiser. We hope you will consider sponsoring this event or purchasing an ad for the Invitational's program. Detailed prices and options are available on the next page. **Due to printing, the deadline for sponsorships or ads is August 31, 2021.** If you have questions, please contact John Miller at 309-333-0520 or jmiller@upilocal4100.org.

Thank you for your consideration,
VJA Music Parents Association

The Andrew Music program consists of a competitive marching band, three concert bands, two jazz bands, winter percussion, winter color guard, several chorus groups, and the fall and spring theater performances.

- *The Marching Band is a consistent finalist at state competitions. They routinely place in their division at local invitationals and compete on a National level at Bands of America competition.*
- *Wind Symphony has been invited to the Super State competition at U of I 2017 and 2018 and performed as a featured band for the prestigious Music for All national festival in 2017 and 2020.*
- *Winter Percussion has consistently been a top performer. Over the last seven years, they have won 3 silver medals, two gold medals (2014, 2016), and a bronze medal in 2017 in the competitive open group at the WGI World Championships.*
- *Winter Guard is a past WGI Regional Finalist and Semi Finalist at WGI World Championships.*
